

CVCA Summer Picnic and LDC Work Party
Sunday, July 11, 2021
Start time: 9:30 a.m.
Picnic: 12:00 pm
Lorenzo State Historic Site, Cazenovia, New York

Come spend part of Sunday, July 11th at the Lorenzo site to assist with LDC show-related activities and, to enjoy a picnic with fellow CVCA members.

The Lorenzo show requires pre-show set up activities and even though this year's show offers a different format, there are still some tasks that will need to be attended to! Consider coming on Sunday morning, July 11 to assist with some pre-show activities such as cleaning dressage panels, blocks and cones, and we guarantee that you will feel a stronger connection to this show that we all love and need!

Here's how to get involved:

RSVP to either Carol Buckhout at carolbuckhout1@gmail.com or Karen Leach at kleach@hamilton.edu to let one of them know that you will be attending; pack your favorite picnic lunch (there will be no sharing of food due to COVID concerns), wear your work clothes and plan to have some fun! The LDC show committee will provide necessary cleaning items and other tools and props as needed. Not into working? Come to the picnic anyway!

RSVP will be appreciated to give us an accurate count.
RSVP to either Carol or Karen by July 10th, please!

This year's Lorenzo show will be a little different, but still fantastic!
Your help will be greatly appreciated!!
